

Existing Members:

1 – you will need a valid current email address before you can login. If you do not have one or do not remember it, contact your club official/secretary or the CI office – 01-8551522

2 – once you have a valid email address, enter it into the box at the top of the CI home page:
www.cyclingireland.ie

3 – in the next box enter the password you have been given or click on the 'Lost your Password' link underneath it. This will send your new password to your email.

4 – once you have received your valid password you can now login.

5 – When you login it will take you to your profile page. Here you can check your licence status or renew your licence for the coming year.

6 – if you are a member of a club, when you request the licence that you require, it will then need club approval/vetting before CI can approve it.

6b – unattached members will just need CI approval.

7 – when this is complete you will then be sent an email to say your licence has been approved and is ready to be paid for.

8 – login in again and click on the 'pay' link at the bottom of your profile in the 'Licence section' and follow the instructions to pay for your licence.
