Category 3a	Born 2008	U12	U11 (before 30/07/2008)

Girls Age Rule Options

Based on a change in Cycling Ireland rules, girls no longer have the option to race two years below their real age. **Girls will race along with boys of their own age and have separate girl prizes for all stages**

Teams

A team must have a minimum of **three** riders to qualify as a team. The fastest three times will be selected from all the team's riders for each stage. Team prizes are only given out after the final stage. Irish registered riders should initially register as per their home club licence The managers of Irish composite provincial teams should advise race secretary of team selections.

Rules Re Gearing: Max roll out distances for one crank revolution are:

Category 1 and 1a	6.94mts (52 x 16)
Category 2 and 2a	6.54mts (49 x 16)
Category 3 and 3a	6.14mts (46 x 16)
